

KIRK T83 / 2016

The T83/2 is the bigger version of the T83 series. The T83/2 is shaped like a cube. The lower level is at the floor, without glass. The table frame is made of solid wood and small casted parts connecting the wood. The glass has a thickness of 10 mm and is resting in the frame. The frame is made of solid wood; one can choose from oak and cherry. The wood is stained and lacquered. The product is available in different materials and finishes and can be tailor-made to the needs of the customer.
