

MAGGY T37 / 1990 LIMITED STOCK

The legs of this elegant table are sand cast by hand. Typical for the sandcasting process, small irregularities may exist, even in the polished surface. The 15 mm glass top is available in clear, optiwhite or satin finish. Sand casting is a traditional process of handcrafting; characteristics are pores and irregularities. The product is available in different materials and finishes and can be tailor-made to the needs of the customer.
