About

If you like a bit more of a feminine shape for your chairs, then Avril is your girl. Although the combination of the frame and seat make this collection very contemporary, the refined armrests create a wavy shape that hints back to the classic Lloyd Loom designs. Her elegance and fresh interpretation of a traditional armchair make Avril a remarkable piece which would definitely play the leading part in your dining area. Being available in all Vincent Sheppard loom colours or any RAL colour, the chairs are customizable to your own taste of colour.

Materials & care

- Seat: Lloyd Loom weave on an aluminium frame
- Base: black powder coated or nickel brushed steel base, oak base or black stained hardwood base.
- Available with nylon or felt glides in order to protect the feet and all floor surfaces. Using the correct glides will prevent any damage due to contact between the feet and the ground.
- Clean with a moist towel and some natural soap.
