- C\*077
- \*= cat. B/C/D/G/COM

### About

The contemporary shape of the Jack collection in combination with the interesting Lloyd Loom weave create a sleek and modern collection of dining chairs with that little extra something. The Jack seats are available in all Vincent Sheppard loom colours or any RAL colour of your choice and come with different base-types, to match your style.

### Materials & care

Seat in Lloyd Loom weave with an aluminium frame and with a black powder coated or nickel brushed steel base, an oak base or a black stained hardwood base. Available with nylon or felt gliders in order to protect the feet and all floor surfaces. Using the correct gliders will prevent any damage due to contact between the feet and the ground.

The Jack chairs can easily be maintained with a moist towel and some natural soap.
